

A gentle way into a letter

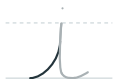

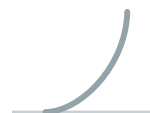

Look at the entry of e, i and l. Trace each isolated entry, then try it yourself. The full letter shows where it belongs.

In e

Trace
(enlarged)

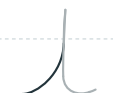

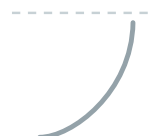

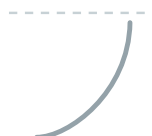

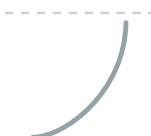

Try it without tracing.

In i

Trace
(enlarged)

Try it without tracing.

In l

Trace
(enlarged)

Try it without tracing.

The dark stroke is the entry; the lighter outline is context. These are Letterpaths examples, not a rule for every letter or school style.
