

Finish with room to join

Look at the exit of a, n and u. Trace each isolated exit, then copy it. Compare the whole letter before trying a word.

In a

Trace
(enlarged)

Try it without tracing.

In n

Trace
(enlarged)

Try it without tracing.

In u

Trace
(enlarged)

Try it without tracing.

The dark stroke is the exit. A join may change with the next letter; a final exit is not a complete joining rule.
