Read your own handwriting

Write a sentence on separate paper. Read it back, then tick what you can see. Choose one thing to work on next.

- [ ] I can read each word without guessing.
- [ ] My letters sit near the baseline.
- [ ] Short letters have a similar height.
- [ ] Tall strokes and lower loops have enough room.
- [ ] Spaces make the words easy to tell apart.
- [ ] My hand felt comfortable while I wrote.

One adjustment to try next time _____

This is a reflection sheet, not a score or a diagnosis. Compare today with your own earlier writing, not someone else.

US Letter: actual size / 100%. A4: fit to page. Free to use and share, including commercially.
