Lowercase Connector Warm-Up Sheet

These are letter combinations, not a word list. Compare the font shapes, trace lightly, then copy in the empty space. Font models do not prescribe pen movements.

Trace on the left. Write your own copy on the right.

One more try

Circle one open e and one clear r. Add the dots over i so they do not touch the letters.

Print at 100% on US Letter, or fit to A4. Free to use and share; not for resale. These font models show letter shapes, not stroke order.
